

# IF IT'S NOT ACS/UNI FAB<sup>®</sup> IT'S TAKING TOO LONG

Tired of all  
the hassles?

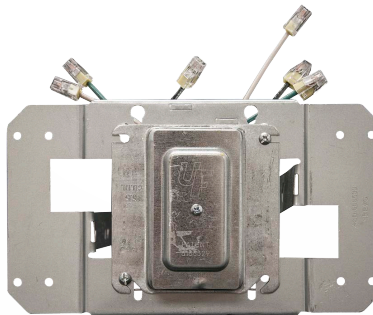

It's called "hard  
wiring" for a reason

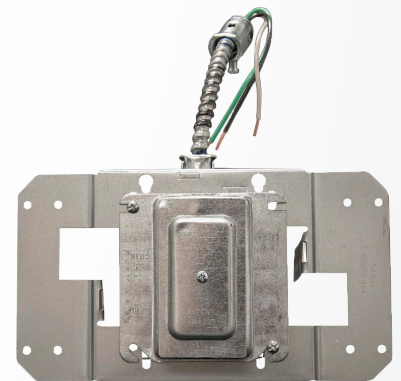

If "Yes," let us  
help you. It's  
this simple.

**GOOD.**

**BETTER.**

**BEST.**

Depending on your needs, we can provide you with a turn key pre-fabricated solution that is easier and faster to install. Whether you are working on hotels, condos, dormitories, offices, multi-family housing units and assisted living centers, our "job-in-a-box" solution will enhance onsite productivity and subsequently improve cost effectiveness on projects with repetitive applications.
